Dear Parents and Students,

EA recommended reading lists – at all levels - will guide you as you make your reading selections. It is just a starting point. The librarian at your local public library may recommend other excellent resources as well.

We hope reading this summer will be an enjoyable experience for all involved. When reading aloud you are demonstrating the fun of reading, and thus motivating your child to learn to read independently. Also, as you read, take time to enjoy the illustrations. A slow look at a page can reveal many surprises and expand comprehension of story themes.

Wishing you many memorable reading adventures,

Your Librarian, Gretchen Simon
