SUPPORTING THE EPISCOPAL  
EXPERIENCE

## Alicia Keating

Kindergarten Teacher, Varsity Girls' Water Polo Coach

The Episcopal Academy is filled with passionate and dedicated teachers who are advocates for students and who seek to be at the cutting edge of their field. I contribute to The Episcopal Fund because I believe in the power of a good education, which encompasses the development of the whole child. Please **join me** in supporting the work we do for our students with a gift to The Episcopal Fund.

## Larry Henderson

Middle School History Teacher, Middle School Track and Basketball Coach

The Episcopal Academy is a place that affords each student the opportunity to achieve greatness in their academic pursuits and a place where caring and committed faculty and staff are provided with excellent resources to positively impact the lives of each student. I feel extremely honored to be part of a community in which true learning takes place on a daily basis. **Join me** in supporting The Episcopal Fund.

## Dan Clay

Chair, Theater and Dance Department,  
Upper School Theater Teacher and Director

My colleagues at Episcopal share a love of learning and teaching. They value the same personal and professional growth in themselves that they expect from their students. When they return from a profound professional development experience, they are ready to share something exciting with the students and faculty. We are fortunate here at EA to take advantage of the professional experiences that The Episcopal Fund offers us. Please **join me** in supporting The Episcopal Fund.

## Ellie Duffy

Lower School Administrative Assistant

I am grateful for the opportunity that The Episcopal Academy affords me each day to share lots of joy with the “little people” on our beautiful campus. Lower School is truly a magical place, and I love being part of the community. I give to The Episcopal Fund as a token of my appreciation for that magic... won't you **join me**?
