CURRICULUM AND GRADING
- The Episcopal Academy does not rank students.
- All courses are college preparatory.
- A GPA is calculated at the end of every academic year and includes grades earned at EA and for Global Online Academy classes completed in summer 2020.
- EA considers AP and honors courses to be of similar rigor and accordingly weights both AP and honors courses by adding .3 to the regular grade.
- Due to the structure of the curriculum and scheduling parameters, few students take AP classes prior to junior year.
- EA offers 47 honors courses and 23 AP courses, which include:
  - English: 4 credits
  - Mathematics: 3 credits
  - Science: 3 credits of laboratory science
  - World language: 2 credits in one language
  - History: 3 credits
  - Religion: 1 credit
  - Arts: 1 credit in two different disciplines or 2 credits in one discipline: dance, music, theatre, and visual
  - Computer science: .5 credit

COVID-19 INFORMATION
In March 2020, EA moved to online learning as a result of COVID-19. The rigor and high standards for which EA is known remained the same, as did the grading system. The 20-21 school year began online; students returned to the physical classroom on Sept. 21. For the past few years, the time for extracurriculars and athletics was limited.

Knowing that students’ summer opportunities were limited, the school significantly expanded the number of summer courses available online through EA and Global Online Academy (GOA), including courses for credit and enrichment courses.

2021 ADVANCED PLACEMENT SCORES
321 students sat for 661 exams in 24 subjects; 82% of scores were 3 or higher.

MAY TERM
May Term is a two-week, interdisciplinary program at the end of the second semester. Students take one intensive course on or off-campus. Courses are hands-on, experiential and/or project based. Due to COVID-19, May Term was cancelled in spring 2020 and 2021.

GLOBAL ONLINE ACADEMY (GOA)
Global Online Academy is a group of leading independent schools around the world. Students with particular academic passions or who wish to pursue topics not offered within the EA curriculum may enroll in for-credit courses through GOA. Except for summer 2020, the grades earned are not calculated in the GPA; the classes, credits, and grades are included on the transcript.

AMERICAN STUDIES
A two-credit course that meets both the American Literature and US History requirements, American Studies is an interdisciplinary approach to the study of colonial to modern American culture through investigating the interplay of national identity, class, race, and gender.
